1. What are your thoughts concerning mandatory fire sprinklers in all new construction?

Many places they are unnecessary (like down range in my pistol ranges.)

2. What are your main concerns or issues you hope to address during your term?
State budget, Business taxes (Elimination of the Modified Business Tax)
General state micromangement of business thru unnecessary rules
3. Last session the adoption of AB 148 forced all construction workers to attend a 10 or 30 hour OSHA course, if elected, would you support a repeal of this law?
In a heart beat!
4. What are your thoughts on how Chapter 40 construction defect law can be improved? Give the Contractors Board Review power to help settle claims and cut off job killing lawsuits.
5. Do you support new taxes or fees on the development of land?
An example of stuff that is killing jobs!
6. Are you in favor of incentivizing or mandating Green Building?
Another example of job killing. Green is good when we can afford it but right now it is a very low priority.
