1. Are you in favor of changing Nevada from a Dillon's Rule state to a Home Rule state?

*yes, home rule needs to be expanded.*

2. What are the greatest opportunities facing your District?

*People to hire  
good deals on homes  
Business space available  
low tax rate*

3. To what extent should water transfers be regulated?

*Need education*

4. Currently each County is able to adopt their own building codes. What are your thoughts towards a State wide adoption?

*Seems to conflict with #1.*

5. Do you have any recommendations to address the State budget crisis?

*Look towards shifting more state services to public private partnerships; privatize where feasible; allow state predoctoral options for university professors similar to Univ. of Alabama; cut the medical business tax so as to encourage small business growth.*

6. Last session the adoption of AB 148 forced all construction workers to attend a 10 or 30 hour OSHA course, if elected, would you support a repeal of this law?

*Not opposed to allowing reasonable training programs that include safety instructions and options.*
