Do you have any Building experience or Builders participating in your campaign?yes, both previous building experience and builders participating actively in campaign

What endorsements have you received for your candidacy?

over twenty major endorsements by various civic organizations so far Current or past endorsements have included NRA, Gun Owners Assn, Citizen Outreach, Americans for Tax Reform, Citizens for Responsible Government, Democrats for Life, Libertarians for Life, Nevada Concerned Citizens, Las Vegas Tribune Newspaper, Nevada Democrats Sportsmen (Hunting and Gun Rights org), and many many others

1. What are your thoughts concerning mandatory fire sprinklers in all new construction?  
Builders are throwing cold water on idea of sprinkler systems in new homes etc as adds to cost and makes home sales even more difficult in this economy.
  
2. What are your main concerns or issues you hope to address during your term?  
With a PhD in accounting, masters in Business administration and minors in economics and finance and experience in barter, am best qualified to deal with the current economic crisis.
  
3. Last session the adoption of AB 148 forced all construction workers to attend a 10 or 30 hour OSHA course, if elected, would you support a repeal of this law?yes construction industry already struggling financially
  
4. What are your thoughts on how Chapter 40 construction defect law can be improved?  
perhaps add even another 90 days to repair as often developer doesn't receive notice till three months down the road not giving adequate time to repair
  
5. Do you support new taxes or fees on the development of land?  
no
  
6. Are you in favor of incentivizing or mandating Green Building?  
I would see about repealing the mandatory prevailing wage law in connection with green building Otherwise there is no incentive for green builders to come here instead of states not requiring
