Do you have any Building experience or Builders participating in your campaign? No

What endorsements have you received for your candidacy? Animal Owners & Hunters Association

1. What are your thoughts concerning mandatory fire sprinklers in all new construction? Public building over a certain square footage, yes. Private property, no.
2. What are your main concerns or issues you hope to address during your term? Making Nevada the most business friendly state in the Union. Getting State government back into its Constitutional foot print. Asserting Nevada State sovereignty. Get State spending under control. Inform constituents of what is going on in Carson City, often and regularly.
3. Last session the adoption of AB 148 forced all construction workers to attend a 10 or 30 hour OSHA course, if elected, would you support a repeal of this law? I definitely would support the repeal of that law.
4. What are your thoughts on how Chapter 40 construction defect law can be improved? I believe, the State legislature has for over 150 year and the Federal government has for over 230 years, imposed on the American people, law after law, regulation after regulation, tax after tax. Enough is enough.
5. Do you support new taxes or fees on the development of land? I believe in no new taxes for anything. Taxes should be cut back and government shrunk down.
6. Are you in favor of incentivizing or mandating Green Building? I would definitely not support anything like mandating green buildings. I would actively oppose any such move.
